

Mark is as solid as they come. I have referred several of my real estate clients to him and the process from beginning to end has been seamless. He is thorough, responsive, and a pleasure to work with. It is such a relief to work with a lender in the process who cares about my clients as much as I do. To many more happy clients and production together. Thanks Mark!

Mark Prete and his team assisted my wife and I in purchasing our new home. The process was flawless, the rates were unbeatable and the customer service was amazing. We shopped our rate and every time, Mark was the lowest. I will always be sure to recommend him to all my friends and family - Fred P.

Mark was fantastic! Easy to work with, always fast to reply if we had questions (and we had a lot of questions), always patient and friendly. Mark's great balance of humor, knowledge, and professionalism made the process fun and smooth. He was always willing to stay late, communicate on weekends, or do some extra digging to find answers for us. That level of service is rare and we knew after the first meeting that were in good hands. Thank you, Mark! - Lyn V. (Facebook)
