

I worked with Janet DeEll when buying my dream home. She was very thorough and explained everything in detail to me. She was always quick to respond to phone calls and texts if I had any questions! She made the home buying experience easy! Would highly recommend her! - Christina M. (Google)

Buying a home is super overwhelming, especially as a first time home buyer but Ascend Financial and Janet DeEll made it go so smoothly and were always there to help explain things and point me in the right direction. Janet was always able to answer my questions and made me feel much more comfortable with the whole process. I recommend them to anyone I know going through the home buying process!! - Emily S.
